## READ CAREFULLY

We take pleasure in handing our customers our regular fall surplus list and wish also to give our thanks for the past business with which we were favoured. We are glad to announce our friends that we purchased over 50 more acres of grounds which will enable us to fill more the demand we had. All stock offered in this list is hardy field-grown stock and exactly **home grown** under our personal care. Correspondents are requested to use printed stationery as this list is for the trade only.

This list cancels all previous offers.

## TERMS

Payment: Fall orders are due December 1st; Spring orders, June 1st after date of delivery. Orders from unknown parties must be accompanied with full cash or satisfactory references.

Packing at cost price.

## CERTIFICATE OF INSPECTION

A certificate of inspection of the State Entomologist will accompany each shipment.

## COMPLAINTS

Should there be any reason for complaint, we must be notified on receipt of goods, otherwise we cannot entertain it. We make it a point to give all reasonable claims proper consideration.

## ORDERS

Orders are accepted upon condition that they shall be void should any injury befall the stock from frost, or other cause over which we have no control.

## GUARANTEE OF GENUINENESS

While we exercise the greatest care to have all our trees and plants genuine and reliable, and hold ourselves prepared to replace on proper proof, all trees that may prove untrue, we do not give any warranty expressed or implied; and in case of error on our part, it is mutually agreed upon the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the stock.

We guarantee all our stock to be in good condition on leaving our hands, but we do not guarantee it to grow under all conditions, nor do we make up any loss whatever due to climate effects, or after culture on the part of the purchaser, and the risks of transportation are to be borne by purchaser. When losses occur by detention, claims should be at once made on forwarders.

50 at 100 rate, 500 at 1,000 rate
